Asqew Grill raises \$3.5K for The Light The Night Walk

San Francisco, CA - Asqew Grill, based in San Francisco, CA, gave a helping hand to The Leukimia & Lymphoma Society's Light The Night Walk. The Society hosted 3 walks in the Bay Area and Asqew Grill Catering was on hand to donate food for the 3000+ walkers that turned out to help raise a total of \$425,000. The Asqew Grill restaurants raised \$3500 by selling donation balloons at the 3 locations in San Francisco & Emeryville. The staff of the Steiner St. restaurant raised the most money and were rewarded by the company with a trip to the local Six Flags to ride some roller coasters. Owner/Operations Manager, Robert Price, who organized the drive, was "very proud of Team Asqew for pushing for the cause" and "our goal is 5K in 2005."
